MATTINO

ABSOLUTE MATTE SURFACES

 INNOVATIVE MATERIALS FOR INTERIOR DESIGN.

Introducing TESA

The Beginning of Surface Evolution

Imagine a material that combines unparalleled scratch resistance, a soft touch, and a smudge-free surface. A material that is waterproof, stain-resistant, and anti-bacterial. A material that redefines the boundaries of innovation and design.

Welcome to Mattino, the ultimate showcase for TESA (Thermo Extruded Synthetic Acrylate), the latest breakthrough in surface technology. Engineered to perfection, TESA is a pioneering surface solution that is set to transform the way we interact with surfaces. With its unique blend of style, functionality, and sustainability, TESA is poised to inspire new design possibilities across industries.

From furniture and interior design to architecture and product design, TESA is the ultimate material for those who demand the best. In the following pages of Mattino, we invite you to explore the limitless possibilities of TESA. Discover its exceptional features, explore its diverse applications, and experience the future of surface technology.
